

Appl. No. 10/727,270
Docket No. 14XZ126392/GEM-0109

AMENDMENTS TO THE SPECIFICATION

Please amend paragraph [0048] as follows:

[0048] (d) calculation of the integral ~~overrun~~ displacement $k_{n,n+1}$ between two successive images I_n and I_{n+1} of the series of images starting from the set of attenuation coefficients calculated for each of the two successive images; and
